

## Deadline of June 2021 to choose your on-boarding date for MCR

We're asking all employers who've yet to complete their Monthly Contributions Reconciliation (MCR) On-boarding form, to do so by the end of June 2021.

As on-boarding spaces within each month are limited, we're asking you to do this to ensure that you receive dedicated support from our MCR team as you migrate to the new process.

Find out more about MCR, watch our video and complete your On-boarding form on our [website](#).

## Numbers to note

### Pension Scheme Registry (PSR) and Employer Pension Scheme Reference (EPSR) numbers

We've recently received a number of queries relating to PSR and EPSR numbers.

Our PSR numbers are 10005209 for the 2010 Scheme and earlier, and 10276733 for the 2015 Scheme, which can be found in the footer of all pages on our [website](#).

All employers also have an EPSR number, which is your three-digit employer number followed by your establishment number e.g. 123/4567.

## FURTHER NEWS

### Goodwin and phased withdrawal Consultation

A government consultation has now been published seeking views on proposed amendments to the Teachers' Pension Scheme regulations. The amendments are to:-

- amend participation rules to allow for the phased withdrawal of independent schools that might otherwise leave the Teachers' Pension Scheme outright with immediate effect.

## Cost control mechanism

The government has announced that the pause of the cost control mechanism will be lifted, and the cost control element of the 2016 valuations process will be completed. The costs of addressing the discrimination identified in the McCloud judgment (the proposals for which are set out for public consultation) will be included in this process.

For more information on the cost control mechanism, see our and [download our factsheet](#).

## Prudential Additional Voluntary Contributions (AVCs) processing issue

Prudential, the provider of AVCs are currently experiencing delays in the processing of contributions and paying out claims. They'd like to reassure all members that contributions will not be lost, but may stop them from seeing an up to date figure on their Prudential online account.

Similarly, claims that have been delayed will be paid with the reassurance that there's no problem with their ability to pay.
