Teachers' Pensions Action Forum

Last year's first virtual TPAF event was so successful, we've decided to do it again this year, in April and May.

The days are split into four individual workshops meaning employers can register onto each workshop separately. It also gives them more choice than ever before over the information they receive from us. Because of this, the events have filled up in record time.

Read our [full story](#) to find out how to get on the waiting list for April and May and for

more information about further TPAF events.

OTHER ITEMS

Certificate of Re-employment

There are certain circumstances when we'll notify a member directly to complete a Certificate of Re-employment. They'll need to complete their online Certificate by 5 April or as soon as possible upon re-entering employment.

Read our full story to learn under which conditions we'd contact members.
