

TPS Regulations Consultees  
(See Attached Distribution List)

14 January 2009

Dear Colleague

### **CONSOLIDATION OF THE TEACHERS' PENSIONS REGULATIONS 1997**

I am writing seeking comments on two more sets regulations which have been prepared for the consolidated teachers' pensions regulations. These are:

- Benefits for Teachers
- Death Grants

Each set of regulations is accompanied by a commentary and a table of derivations.

As I explained in my previous letters, because we are issuing draft regulations in batches, cross-references to other regulations cannot be finalised. Also, until we are in a position to pull the individual sections together, the draft regulations and schedules are numbered numerically 1, 2, 3 etc within each set of regulations.

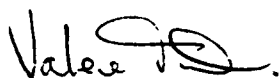

It would be helpful if you would provide comments on these draft regulations **by 14 February 2009**. You will, of course, be able to submit any further comments once you have sight of the full set of draft regulations which will be circulated in due course. Please send any comments on these two sets of regulations in writing to:
