## Inset day member presentation

We'll be hosting several member presentations across dates in September which will be beneficial for members to take part in.

The sessions will cover a wide range of useful topics such as the benefits of being a member of the Scheme, changes to the Scheme and contributions - just to name a few.

There's two ways to register, either on behalf of the school, or staff members can register themselves.

## HEADLINES

### Free employer training

Each month, we offer an extensive range of training for payroll providers to get involved in - the best part is they're free.

We have an experienced Stakeholder team, who host weekly sessions throughout each month focusing on different aspects of the Scheme. Although they take a short break in August due to school summer holidays, there's still time to make the most of training in July.

## Updated resources

Recently we've updated a few resources on our website that'll help answer member queries. We know the Teachers' Pension Scheme can be quite complex to understand which we appreciate, and the changes brought in by Transitional Protection have added to this.

The updated resources will help you in the approach to a very busy time with member retirement applications. We'd highly recommend that you familiarise yourself with them.

## Multi Factor Authentication (MFA) - common query

MFA has been live for a few weeks now, and as with any new process there are some queries being raised with employers and members.

There's a common query we'd like to help with which is how to reset your details using MFA.

## FURTHER NEWS

### Quarterly drop-in session for Multi Academy Trusts (MATs) and Academies

We hold a MAT and Academy stakeholder meeting on a quarterly basis to provide updates and support designed specifically for you. The sessions cover a number of useful topics such as providing the latest news and updates, sharing ideas and best practices, opening up lines of communication and more.

We want these sessions to be interactive so please submit any questions you may have beforehand, when booking your place.

[Book now](#)

### MCR drop-in surgeries

If your establishment have on-boarded to MCR, you should've received an email inviting you to a series of support sessions. These sessions are for you to discuss any concerns and liaise directly with members of the Teachers' Pensions team.

The sessions will take place at 2pm for approximately an hour on 20 July, 17 August and 20 September. Spaces are limited to 40 for each to allow all questions to be covered.

[Read more](#)

### MCR mid-month updates and corrections

We've received an increase in the number of queries from payroll providers asking about making warning error corrections and submitting service and salary updates mid-month, outside of their monthly MCR submission.

We've created some [instructions](#) to help you with how to provide this information. It's important that this method is used when no contribution adjustments are required. If you do have contribution adjustments, you'll need to make this change in your payroll first, and then in your next monthly MCR submission.

## MDC concurrent calculation validation enhancement

We've recently made some enhancements to the MDC concurrent calculation validation processes. This is to ensure that you're providing information correctly for members in concurrent employment that have worked hours which are equivalent to full-time employment for that service period.

Please review this [guidance](#) to ensure you continue to provide this correctly, and the error you'll receive if you don't.

## OTHER ITEMS

### Teachers' Retirement Agency

We'd like to remind you that if you've recently been contacted by the Teachers' Retirement Agency who provide workshops to teachers approaching retirement but at a cost to the member, these events are not being delivered by Teachers' Pensions.

These aren't our events, the only member presentations we currently offer are free monthly live online training sessions which are delivered by our Employer Relationship Managers.

You can book a member presentation on our [website](#).

### Employer drop-in session

The next online Employer drop-in session will be held on Wednesday 27 July at 2pm and this month's session will include a workshop focused on Ill-health, discussing the application process and how you can support members.

Spaces are limited, so book your place now to avoid missing out!
