

Updates to contribution rates

The employer contribution rate will increase from 23.68% to 28.68% from 1 April 2024. This includes the 0.08% administration levy.

Due to an increase in the Consumer Price Index (CPI), salary bands used for contribution rates for members will also increase.

Deadline for Faster Accrual and Buy Out elections

The deadline to submit fully completed elections is 31 March 2024.

There's also a deadline for Buy Out for employees whose service was rolled back due to Transitional Protection changes, and have now entered the career average scheme for the first time on 1 April 2022.

Important information regarding your submissions

Are you familiar with the methods in which you can submit MCR or MDC monthly submissions?

We've recently noticed several establishments who opted to submit file(s) and payment(s) via one method but, have switched and adopted the other.

We'd like to remind you to only use one method.

Changing payroll providers

If you're changing payroll providers, it's important to ensure all outstanding errors and tasks are completed before the new contract begins.

It's important this is done otherwise submissions won't be correct, thus increasing your workload.

Encouraging colleagues to read the bulletin

Our monthly bulletin is a great way to keep up to date with Teachers' Pensions.

We advise that you update your contact details on the Employer Portal to make sure the bulletin is being sent to the correct people.

It may also be beneficial to forward the bulletin onto relevant people within your establishment. Previous bulletins can be found on our website.
