13. Benefits being applied for

If you have additional service after retirement (ASAR) in more than one arrangement (for example, you were in pensionable ASAR prior to 1 April 2015 and then transitioned from the final salary to the career average arrangement) which pension arrangements do you wish to apply for?

Note: If you have reached your normal pension age in one arrangement you can defer taking your pension from the other arrangements you are in until you reach normal pension age in that arrangement. If you are taking early retirement from the arrangement with the earliest normal pension age then you must take all your pension benefits. For further illustration of this see the examples in the 'How to Complete this Application Form' section.

Section 5: Other Details

1. Have you been employed by more than one Employer relevant to The Teachers' Pension Scheme in the past 12 months?

Yes No

If yes, please ensure that you complete an application form for each Employer so that each Employer completes a Part B of the form. It is acceptable to photocopy the completed Part A for the additional forms.

Please provide names and addresses of each Employer in the box below (continue on a separate sheet if necessary).

2. Lifetime Allowance - For more information regarding Lifetime Allowance assessment please refer to www.hmrc.gov.uk

On 6 April 2024 three new allowances replaced the previous Lifetime Allowance (LTA) regime. These new allowances restrict the total tax-free lump sum payable across all registered pension schemes. The allowances take account of lump sums already taken (even those prior to 6 April 2024). Where a Transitional Tax-Free Amount Certificate (TTFAC) has not been issued, a lump sum of 25% of the total crystallised value is presumed to have been taken. The allowances may be increased when supported by a valid Lifetime Allowance Protection Certificate, or an enhancement factor.

If you've previously crystallised benefits, hold a valid LTA or TTFAC certificate, or have an enhancement factor you will need to complete the Lump Sum Allowance assessment form. Failure to do so may result in a delay to the processing of your retirement award.

Have you previously transferred to an overseas scheme, claimed or intend to claim pension or lump sum from any other scheme?

Yes No

(continued overleaf)

Part A: To be completed by the applicant in all cases (continued).

Section 5: Other Details continued

3. Annual Allowance

If you believe that you may have incurred an Annual Allowance tax charge in excess of £2,000 in the current Pension Input Period (PIP), then any Scheme Pays election you may wish to make must be received and paid by TP before your pension can be put in to payment.

4. Please only complete if you're currently purchasing Past Added Years (PAY):

Accept the PAY service paid for up to date of retirement?

OR

Pay the outstanding contributions by means of a cheque payment prior to receiving payment of your benefits from the Teachers' Pension Scheme? Please see the section on "recycling" in the accompanying notes.

If you choose to pay the outstanding contributions we will contact you to confirm the cost.

(continued overleaf)

Part A: To be completed by the applicant in all cases (continued).

Section 6: Payable Date

How to Complete the Application Form

Notes for the applicant

Part A General

You should use this retirement application form when you are applying for Age, AAB or Premature retirement benefits from additional pensionable service that you have accrued since your previous retirement.

You should NOT use this form if you want to apply for Phased retirement benefits. In this instance you should use the Phased Retirement application form.

This application is in two parts. You must complete Part A and send Parts A and B to your employer. Your employer must complete Part B and return both parts of the completed application form together to Teachers' Pensions.

Where you have more than one employer you should complete a form for each employer (you may photocopy the first completed Part A for additional employers). Each of your employers must complete their own Part B and return both parts of the completed application form together to Teachers' Pensions.

If you die within 5 years of your pension coming into payment a Supplementary Death Grant will be paid, constituting 5 years' worth of pension minus pension paid to date. This Guaranteed benefit is subject to a check against your Lump Sum and Death Benefits Allowance (LSDBA) and may mean your beneficiaries are required to pay tax on any amounts over the LSDBA.

Complete the form using black ink and BLOCK CAPITALS, please clearly place a cross 'X' for answers that use check boxes.

Part A section 1: Personal details

All of section 1 must be completed.

Teacher's reference number: This is a seven digit number and is your unique teacher reference (you may also know it as your DfE number).

Date of birth: As part of the application process, Teachers' Pensions must verify that a member's age is as given on the application form. If verification of date of birth is required, we will contact you on receipt of your application.

Personal Email address: Please ensure you provide this address as we will use it to send you information about your benefits. You should register on the website www.teacherspensions.co.uk for **My Pension Online** as this is a secure area for communication.

Last date of pensionable teaching service: This is the last day of paid pensionable employment covered by the Teachers' Pensions regulations, which can include sick pay if at least half pay. This should not include any opted out service. Hence, this may be different to the last day of actual paid employment.

Which pension benefits are being applied for?

If you have been in more than one of the Teachers' Pension Scheme arrangements since entering ASAR you must indicate which benefits you wish to take in this application. If you are taking early retirement from the arrangement with your earliest normal pension age then you must take your pension from all other arrangements. If you have reached normal pension age in the arrangement with the earliest normal pension age you can defer taking the benefits from the other arrangements you are in.

(continued overleaf)

How to Complete the Application Form (continued).

Example 1: Hector entered ASAR in September 2013, in the final salary NPA60 arrangement. On 1 April 2015 Hector transitioned to the career average arrangement, with a normal pension age of 66. By September 2017, when he is aged 59, Hector decides to retire from ASAR. As he is taking early retirement from the final salary NPA60 arrangement Hector must also take the pension benefits built up in the career average section.

Example 2: Matt entered ASAR in April 2014 in the final salary NPA65 arrangement. On 1 April 2015 Matt transitioned to the career average arrangement with a normal pension age of 68. By April 2017, when he is 65, Matt decides to retire from ASAR. As he is taking Age retirement from the final salary NPA65 arrangement Matt can choose to defer taking his career average pension benefits - he could wait until he reaches his career average normal pension age - or he could choose to take them with his final salary benefits, albeit with actuarial adjustment applied to the career average pension benefits because he is taking them early, before his normal pension age in that arrangement.

Part A section 2: Payment details

Your pension will be paid into the account you nominate in this section, if you are unsure of any of your bank details you should contact your bank who will be able to help you.

We can only make payments into an account, or joint account, that is in your name.

If you want your pension to be paid into a UK account then please complete questions 1 to 5.

If you want your pension to be paid into a non UK account then please complete questions 6 to 8. Please note that payments made to a non UK account will only be paid in the bank's local currency. If you choose to have your pension paid into an overseas bank account a monthly administration fee of £1 will be applied.

Part A section 3: Survivor details

Please complete all questions that apply.

Part A section 4: Lump sum choices

Please complete all the questions. If a question does not apply to you, you can choose no/not applicable.

If you wish to give up part of your of your annual pension for a lump sum payment you should choose yes and complete the appropriate details. You should use the calculators on the website www.teacherspensions.co.uk before making any choices.

If you are applying for benefits in more than one Teachers' Pension Scheme arrangement, then you can take different lump sums from each one.

- Question 1 for arrangements with a Normal Pension Age of 60.
- Question 2 for arrangements with a Normal Pension Age of 65.
- Question 3 for the Career Average arrangements.

If you want to take the maximum lump sum then indicate this in the box alongside 'Maximum Allowed' and do not enter a specific amount. If you know how much of your annual pension you want to give up, please enter this amount alongside 'Specific amount p.a' and do not choose 'Maximum Allowed'.

Do NOT enter the lump sum amount that you wish to receive, this could result in an error and delay the processing of your application.

Visit the calculators on our website to see estimates of the reduction that will be made to your annual pension amount when you choose to take a lump sum.

If you have bought or are buying Additional Pension in the Teachers' Pension Scheme then you have the option to take a lump sum by giving up part of your annual benefit from your Additional Pension. If you wish to do this then complete Question 4.

You cannot use this form to make lump sum choices from AVC's or other pension savings that are not part of the Teachers' Pension Scheme.

(continued overleaf)

How to Complete the Application Form (continued).

Part A section 5: Other details

If you have more than one employer each employer must complete part B of the form and they should each be submitted with a copy of part A (It is acceptable to photocopy the first completed Part A for subsequent employers).

Lifetime Allowance. The Finance Act 2004 introduced a single tax regime that applied to all UK tax privileged pensions from 6 April 2006. This introduced a 'Lifetime Allowance', which is the total allowable value of benefits (pension and lump sum) from all registered pension schemes. It excluded pensions payable from the state and those where the pension is a dependant's pension. From 6 April 2024 the Lifetime Allowance was replaced by the Lump Sum Allowance and Lump Sum and Death Benefit Allowance. Where a crystallisation event occurred before 6 April 2024 the previous lump sum taken is assumed to be 25% of the former Lifetime Allowance unless a Transitional Tax Free Amount Certificate is provided. Further information can be found at HM Revenue & Customs - [GOV.UK \(www.gov.uk\)](http://www.gov.uk).
