**Section 3: Lifetime allowance**

Although the Lifetime Allowance charge was removed with effect from 6 April 2023, and the government has made clear its intention to abolish the Lifetime Allowance from the 2024/25 tax year, pension schemes must continue to operate Lifetime Allowance checks when paying benefits.

Therefore, if the aggregate of all your annual pension(s) in payment and any going into payment including the Teachers' Pension Scheme exceeds/will exceed £35,000 per annum in total then you **must** complete the Lifetime Allowance Charge Assessment form. Failure to do so may result in delays in processing your pension award.

Are you affected by this? Please cross 'X' in the relevant box.

## Notes

**1.** If you are a re-employed pensioner, you should only complete this annuity application form if you do not intend to undertake further employment which would entitle you to a further award of pension benefits.

**2.** It is not possible to convert an annuity into a lump sum. The annuity does not revert to a dependant on death and will increase in line with the Pensions (Increase) Act 1971.

**3.** Lifetime Allowance. The Finance Act 2004 introduced a single tax regime that applies to all UK tax privileged pensions from 6 April 2006. This new regime introduced a 'Lifetime Allowance', which is the total allowable value of benefits (both pension and lump sum) from all registered pension schemes. This excludes pensions payable from the state.

Please visit the updates section of the Teachers' Pensions website for details of the latest Lifetime allowance level.

[www.teacherspensions.co.uk/updates](http://www.teacherspensions.co.uk/updates)

To see whether you are affected, the following formula should be applied to your benefits:

$$\frac{(\text{Annual Pension} \times 20) + \text{Lump Sum}}{\text{Lifetime allowance}} \times 100 = \text{LTA\%}$$

If the percentage exceeds 100% you'll be liable for the LTA charge unless you have a transitional protection certificate.

If your benefits from all registered pension schemes currently in payment (and your TPS annuity which is coming into payment is less than £35,000 per annum) please tick the 'No' box. If your benefits in payment and about to come into payment on the same date as your teacher's pension exceeds £35,000 per annum, please tick the 'Yes' box. A further form will then be forwarded to you to complete. If an LTA charge is due, then TP will account for this by reducing your benefits.

**4.** If you have been out of service for more than 1 year, a copy of your passport must be enclosed when returning this application form.

**5.** If you are a re-employed pensioner, the annuity will be added into your normal monthly pension.

**6.** If you made an additional pension election and have not qualified for pension benefits the contributions towards the additional pension, including any lump sum contribution, will form part of the annuity.

In order to sign the form on Adobe Acrobat you'll need a digital signature. If you haven't got one, creating one is simple:

1. Click on the signature box
2. Select 'Configure your Digital ID' button
3. Select 'Create a new Digital ID'
4. Save it to the Windows Certificate Store
5. Enter your name and email address and click 'save'
6. Then select your Digital ID.

This will create a signature block and time stamp and directs you to save the document.
