What Happens Next?

- Where we hold your email address, we will use this to communicate with you.
- You must complete a Certificate of Re-employment for each subsequent year to monitor whether the projected salary and pension in a tax year exceeds your index linked salary of reference (for abatement provision). Failure to do this may result in the overpayment of your pension benefits which will be recovered. Any further teaching employment (full or part-time) will automatically be pensionable unless you opt out of the scheme. All service after retirement will be assessed for abatement purposes, regardless of whether you opt out of the TPS or not. Further teaching employment of 1 year or more will generate an additional entitlement to benefits.
