

## View your Benefit Statement with My Pension Online

Dear colleague

As a member of the Teachers' Pension Scheme it's vital you understand your pension and keep up to date by checking your online Benefit Statement and service history.

Once you've built up two years of service in the Scheme, your Statement will show you the pension you've accrued so far. As you continue to pay contributions, you'll see this figure grow, so it's always a good idea to keep an eye on this throughout your career.

To view your Statement you'll need to register for a My Pension Online account.

All you need to register is:

- a) A few personal details
- b) Your National Insurance number
- c) Your email address - we recommend a personal email address

By registering it also means that Teachers' Pensions can contact you directly with important updates and changes that may affect your pension.
