Scheme arrangements report

To assist you in identifying the Scheme arrangements that members are in, a report has been developed.

This report is available monthly, on the 1st of each month and provides details of members whose arrangement has changes as a result of:

- Service updates filling a gap in service of more than five years
- Service updates creating a gap in service of more than five years
- Notification of retained protection after joining from another public scheme
- New joiners
- Tapered protection members with less than three months to transition date

The reports are in CSV format, and will only be **accessible from the Employer Portal**, in the Scheme Arrangement Notification area of the Portal. An email notification is issued when a report is available for downloading.
