Non pensionable pay

The following payments are not pensionable regardless of the arrangements that a member is in.

- Travelling or Expenses Payments
- Any payment in lieu of notice to terminate a contract
- Any payment to cover the loss of any contractual holiday pay
- An honorarium payment
- Any payment in respect of duties that are not part of their duty as a teacher

Some members who joined the Scheme between 1 June 1989 and 1 April 2008 may be affected by an earnings cap. Some may have elected to have this earnings cap lifted and previous 'capped' service reduced. However, since 1 April 2008, any member whose salary was above the earnings cap, or any new entrant, will have employee and employer contributions deducted based on full salary.

Any final salary benefits including any paid to transition members with a final salary link will still have the restricted salary provision applied. If the pensionable salary in the final three years of pensionable employment was increased by more than £5,800 or 10%, the increase in that salary or salaries will be restricted to £5,800 or 10% whichever is the higher. This figure is reviewed each year in line with factors provided by the HM Treasury.

Where this restriction applies, any contributions not used in the calculation of Average Salary will be refunded.
