This toolkit has been created to support you in administering the Teachers' Pension Scheme.

The Member Resources section is a dedicated area full of information to help you raise awareness about Teachers' Pensions and educate and engage your employees, ensuring that they're actively planning for their future.

Here you'll find:

- Factsheets that you can print and distribute to support individuals on their personal retirement journey, as well as on starting and leaving teaching
- Starters and Leavers information including guides to help your employees
- Posters you can print and display around the school to help encourage your employees to sign up for My Pension Online

Use the links on the left hand side to access even more resources and check back regularly as we're always adding and updating the resources to support you.
