Member presentations

Following feedback from both members and employers, we're currently in the process of introducing training opportunities for members of the Scheme.

Although these plans are still in the early stages, we can confirm that these will initially consist of seminars held within teaching establishments as well as short online videos.

The subject matter will include a general overview of the Scheme, with the view to cover pre-retirement in the future.

Seminars will need to be organised by employers and have a minimum of 40 attendees. If you're interested in hosting such an event, please [email us \(This link opens in a new window\)](#).
