Monthly Data Collection (MDC) checklist and reminder process

We'd previously advised you that the MDC Checklist and reminder process would be going live on Friday 14 September. Unfortunately there has been a delay in the launch and therefore your report is not available on the Employer Portal.

As this could impact on other timescales within the process (which requires a second report being run on the 21st of the month), we've decided to postpone the launch to October. This will allow the process to run on the required dates and within the timescales which have previously been circulated.

We apologise for the delay.

You can find more information on the process and report on our [website](#).
