## Training

We've seen great success with our training events in February, holding 4 seminars with 75 registering, and 11 webinars with 165 registering. Our new "Introduction to Monthly Contributions Reconciliation" webinar in particular has proven very popular offering information on what you can expect and key dates for the upcoming MCR process.

We still have a limited number of spaces available on our upcoming seminars across the country. These are day long events for any employers looking to improve their overall knowledge about the Scheme, managing members and the obligations and responsibilities involved.

Take a look at our training schedule on our [website](#) for more seminar and webinar dates.
