We're experiencing high levels of contact, we appreciate your patience at this time.

Important communication changes - the way in which we communicate with you has changed

As of 1 February 2016 all communications are now sent and received via My Pension Online. Security is paramount to Teachers' Pensions and this initiative is to ensure your data is securely managed and where possible eliminate non secure email.

If you've contacted us recently and have a MPO account you'll probably be aware of the changes as we've been replying via your account.

If you don't already have an MPO account please sign up [here](#) today. MPO is an online PIN protected portal that not only lets you contact us securely but also check and manage your personal pension information. You can complete a range of tasks including checking up on your Annual Benefit Statement, updating your personal details, completing online forms and accessing a range of tools and calculators.

Don't worry about checking your account; we'll email you once we've replied to let you know there's a message in your inbox.
