We're experiencing high levels of contact, we appreciate your patience at this time.

Starting and leaving the Scheme

Recent changes to the Scheme now mean, where we're provided with an email address, that it's Teachers' Pensions responsibility to provide information to new starters and members choosing to leave the Scheme, as opposed to this being the responsibility of your employer.

The easiest way to communicate with Teachers' Pensions is via My Pension Online (MPO). MPO is a secure online portal that lets you check and manage your teacher's pension.

You can keep all of your personal details up to date as well as complete and return any forms without having to worry about paper and postage.

To register, you'll need your Teachers' Pensions reference number, your National Insurance number and an email address. We recommend a personal email address.
