Notes: You should read the 'How to Complete the Application Form' notes for Part A section 4 before completing the following questions. After your application is received by us and processed, your decisions are irrevocable. If you do not have any pensionable service on or after 1 January 2007, you will receive a lump sum of three times your pension, but you do not have the option to give up part of your pension to increase your lump sum. You should answer all four questions in this section. If any question does not apply to you, please tick 'Not applicable'.

1. Benefits if you have a Normal Pension Age of 60 (NPA60)

If you joined the Scheme for the first time prior to 1 January 2007, you have NPA 60 service. You will automatically receive a lump sum in respect of your pensionable service as an NPA 60 member of three times your pension. If you have service in the NPA 60 arrangement on or after 1 January 2007 you also have the option to take an additional lump sum by giving up part of your annual pension.

Do you wish to do this? Please tick as appropriate.

Yes ☐ No ☐ Not applicable ☐

If you have ticked yes, please indicate how much of your annual pension you want to give up. You can specify the amount per year that you wish to give up or you can indicate that you wish to give up the maximum that is allowed.

If you joined prior to 1 January 2007 but had a 'disqualifying break' of more than 5 years, you will have NPA 60 and NPA 65 service. The exception to this is if you returned to the Teachers' Pension Scheme on or before the 31 December 2007 and did not have a subsequent disqualifying break. You will not automatically receive a lump sum in respect of your pensionable service as an NPA 65 member but have the option to take a lump sum by giving up part of your annual pension.

Section 5: Other Details

1. Have you been employed by more than one Employer relevant to the Teachers' Pension Scheme in the past 12 months?

Yes ☐ No ☐

Please provide the names and addresses of each Employer in the box below (continue on a separate sheet if necessary).

2. Annual Allowance

If you believe that you may have incurred an Annual Allowance tax charge in excess of £2,000 in the current Pension Input Period (PIP), then any Scheme Pays election you may wish to make must be received and paid by TP before your pension can be put into payment.

3. Lifetime Allowance - For more information regarding Lifetime Allowance assessment please refer to www.hmrc.gov.uk.

Although the Lifetime Allowance charge was abolished from the 2024-25 taxable year, pension schemes must continue to operate Lifetime Allowance checks when paying benefits.

Therefore, if the aggregate of all your annual pension(s) in payment and any going into payment including the Teachers' Pension Scheme exceeds or will exceed £35,000 per annum in total then you must complete the Lifetime Allowance Charge Assessment form. Failure to do so may result in delays in processing your pension award. Please tick the relevant box based on whether you are affected or not.

Yes ☐ No ☐

4. Please only complete this if you're currently purchasing Past Added Years (PAY):

- ☐ Accept the PAY service paid for up to date of retirement? OR
- ☐ Pay the outstanding contributions prior to receiving payment of your benefits from the Teachers' Pension Scheme? Please see the section on "recycling" in the accompanying notes.

If you choose to pay the outstanding contributions we will contact you to confirm the cost.

If you are currently not in teaching employment please ensure that you complete section six.

Section 6: Payable date

If you have completed this form while still in teaching employment, your benefits (including any lump sum) will be paid from the first day after leaving that employment, provided you have reached the age of 55. If you have completed this form having already left teaching employment, please indicate, below, the payable date from which you would like your benefits to be paid. This cannot be earlier than six weeks after the date you sign the form. If there is no date selected, or the date selected is less than six weeks after the date you sign the form, then Teachers' Pensions will pay your benefits from six weeks after the date you sign the form. Any return to teaching in the six week period prior to the payable date will invalidate your application.

Payable Date (DD/MM/YYYY)

- I confirm that I have ceased all eligible employment and that any further employment will be subject to a new contract and there will be at least a one-day break between contracts.

- I understand that the lump sum choices I have made are irrevocable.
- I acknowledge that, if I have any benefits in the Career Average arrangement that are taken before Normal Pension Age, these benefits will have a different actuarial reduction depending on whether I am deemed to be 'active' or 'deferred' immediately before my entitlement day.
- I'm aware that whatever my circumstances, it's always best to discuss my plans with my employer. (Don't forget, you'll need the agreement of your employer if you're planning to take Early Retirement payable immediately after your last day of pensionable employment).
- All the information I have given on this form is true to the best of my knowledge and belief.

How to Complete the Application Form

Notes for the applicant

Part A General

This form should be used to claim your pension before your Normal Pension Age if you are applying for actuarially adjusted benefits. You should not use this form if you are applying for Phased, Premature, Ill-health retirement or Additional Service after Retirement. Separate forms are available if you need to make an application for Phased, Premature, Ill-health or Additional Service after Retirement benefits.

You should NOT use this form if:

- You are applying to take benefits only from arrangements where you have reached Normal Pension Age.
- You want to postpone taking benefits from any arrangement where you have not yet reached Normal Pension Age.

You can find information about your Normal Pension Age at www.teacherspensions.co.uk/npa

Part A section 1: Personal details

All of section 1 must be completed.

Teacher reference number: This is a seven-digit number and is your unique teacher reference (you may also know it as your DfE number).

Date of birth: As part of the application process, Teachers' Pensions must verify that a member's age is as given on the application form. If verification of date of birth is required, we will contact you on receipt of your application.

Last date of pensionable teaching service: This is the last day that you are paid up to. This may be different to the last day you work.

Part A section 3: Survivor details

Please complete all questions that apply.

Part A section 4: Lump sum choices

Before making any choices, you should visit the <https://www.teacherspensions.co.uk/members/calculators> on our website to see estimates of the reduction that will be made to your annual pension amount when you choose to take a lump sum.

If you are applying for benefits in more than one Teachers' Pension Scheme arrangement, then you can take different lump sums from each one.

- Question 1 for the Final Salary arrangement with a normal pension age of 60.
- Question 2 for the Final Salary arrangement with a normal pension age of 65.
- Question 3 for the Career Average arrangement.

If you want to take the maximum lump sum then indicate this in the box alongside 'Maximum Allowed' and do not enter a specific amount. If you know how much of your annual pension you want to give up, please enter this amount alongside 'Amount per year' and do not tick 'Maximum Allowed'.

Do NOT enter the lump sum amount that you wish to receive. This could result in an error and delay the processing of your application.

If you have bought or are buying Additional Pension in the Teachers' Pension Scheme then you have the option to take a lump sum by giving up part of your annual benefit from your Additional Pension. If you wish to do this then complete Question 4.

You cannot use this form to make lump sum choices from AVCs or other pension savings that are not part of the Teachers' Pension Scheme.

Part A section 5: Other details

Lifetime allowance: When answering the lifetime allowance question you must include any income from AVC's and non Teachers' Pension Scheme pensions as well as your pension from the Teachers' Pension Scheme, but not your state pension. You can obtain a benefit statement for the Teachers' Pension Scheme using My Pension Online (MPO), please visit our website at www.teacherspensions.co.uk. You can find more information regarding Lifetime Allowance tax charges at www.hmrc.gov.uk.

Recycling: If you plan to use more than 30% of your retirement lump sums to increase your pension benefits (either directly or indirectly) be warned that HMRC could subject the whole of your lump sum to an unauthorised payment charge of 40%. Members buying out any outstanding Past Added Years or Additional Pension by lump sum close to retirement need to be aware of this and should speak to an independent financial adviser. This rule does not apply if your total lump sums in a 12 month period are less than £7,500. Further details about recycling can be found on the HMRC website www.hmrc.gov.uk. If you are unable to sign the declaration in section 7 on account of a recycling breach, please contact us.

Part A section 6: Payable date

If you have already left teaching when you complete this form, you may select the date that your benefits are payable from. In this case you must choose a date no earlier than 6 weeks after the date you signed the form. This date will only apply to those benefits claimed before reaching Normal Pension Age.

Payable date: This will be the day that your pension is due to start from.

Part A section 7: Declaration

Please check your answers and read the declaration before you sign and date the form.

Actuarial Adjustment in the Career Average arrangement: If you take your benefits early and your Career Average NPA is greater than 65, the actuarial reduction for each year or part year between age 65 and your Career Average NPA (up to a maximum of 3 years) is set at 3% per annum. Please note that this standard rate of actuarial reduction only applies if you are deemed to have been an 'active' member immediately prior to your early retirement. If you are not deemed to have been 'active' then the adjustment to your pension benefits will be based on the prevailing actuarial factor for your age at retirement and your Career Average NPA.

You must sign and date the form for your application to be accepted.

If any relevant section has not been completed the application will be rejected.
