Start your year right, with our free employer training

Throughout 2025, we'll be hosting many training sessions to help you administer the Scheme.

The sessions will include: weekly webinar training, MCR surgeries, employer drop-in sessions and videos. These have specifically been designed to help you receive our support with any challenges you have.

Employer Secure Messaging - using invalid emails

We'd like to remind you, if an email address you used to use to contact us is now no longer available, you should be using Employer Secure Messaging to contact us.

We've received contact from some of you via email addresses that aren't related to the query.

Although there're remaining emails for specific queries, we'd like to emphasise that any we receive that aren't related won't be responded to.

Employer Secure Messaging - uploading file error

If you're experiencing issues when attaching documents to a message, it's important to follow the required naming conventions.

File names must only contain the alphanumeric characters (A-Z, a-z or 0-9) or hyphens (-).

File names shouldn't have any spaces between words, for example it should be 'annualallowance' and not 'annual allowance'.
