Hello

Welcome to May’s e-bulletin with all the latest news and updates useful for anyone who administers the Teachers’ Pension Scheme.

Annual Return update

Employers who are not using Monthly Data Collection (MDC) have been notified that the Annual Return is available to download from the Employer Portal for completion.

Employers need to provide data to administrators by the deadline date of 6 July each year. All employees must be included on the Annual Return.

We’ve updated our [Annual Return Guidelines](#) to support you when compiling your Return.

Deadline approaching for unaudited End of Year Certificate (EOYC)

The EOYC template is now available to download from [our website](#). It’s been revised by having two breakdown tables at the foot of the form to take account of the change in the Employer Contribution Rate at 1 September 2015. All employers are required to submit their unaudited

certificate by 31 May 2016.

For help completing you EYOC check our [guidance](#) online.

Monthly Data Collection (MDC) update

MDC is now available for all employers and we're providing you a monthly update:-

- Over 507 employers representing 58,000 members on-boarded during April, with another 18,000 members joining in May. Why not on-board now for June, July or the following months?
- We've set up a dedicated team to support you with the on-boarding process, get in touch by calling 0345 3003756 or emailing mdc@teacherspensions.co.uk
- Understand the benefits of joining MDC including no longer providing an Annual Service Return
- Make sure if you're using MDC, you still provide the monthly contributions breakdown slip.

Retirement application errors

When completing the employer part of the application form, errors often appear relating to part-time salary. Please note that for part-time employees, we need the actual salary earned between the start and end dates entered.

Benefit Statements

As you're aware Benefit Statements are now available online. We've been communicating with members which will continue until the end of May.

We've had over 140,000 online views of the statements and we've seen an increase in the number of registrations to MPO with over 21,000 this month. Please let employees know about the changes and encourage them to register for MPO.

To help encourage members to sign up to My Pension Online, we've created a series of resources including a poster, factsheet and email template.

Employer Review

We've held four Focus Group sessions this month with representatives from all employer stakeholders. At the sessions they've been discussing and reviewing:-

- Proposed new model and the differences to the current structure
- First stage proposals for the End of Year Certificate as part of the model
- Transition to the new model
- Delivering the new model through Monthly Data Collection (MDC)

- Engagement with members and the challenges of data

We'll be circulating a copy of the proposed model which will provide you with the opportunity to provide feedback in the near future.
