Employer Portal session time update

We're happy to announce that session time on the Employer Portal has now been extended to 30 minutes.

The improved limit allows you additional time to carry out administrative duties without being logged out.
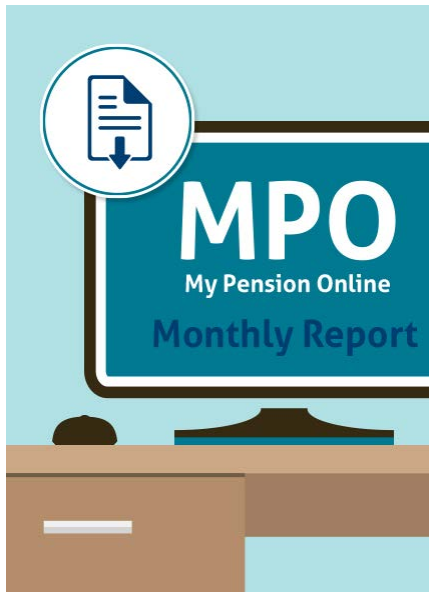

We'd love to hear from you on how you've benefitted from this change, along with other ways we can improve the Portal.

HEADLINES

New and updated email templates for the My Pension Online (MPO) report

We've created a set of email templates outlining the benefits of MPO for you to start the conversation with your employees to get them registered. When used with the MPO report, which can be downloaded from the Employer Portal, getting members online has never been easier.

MPO is the best way for members to take control of their pension, while taking some of the burden off you.

Researchers in school payments

There are a number of regulations as to what constitutes pensionable pay depending on the establishment type members are contracted to; and there's guidance to help you determine what this is.

Neither Researchers' in schools nor Maths and Physics Chairs programmes are referenced, which can be confusing. Our full news story helps you understand the challenges these roles present.

FURTHER NEWS

MDC checklist and reminder process now live

With the MDC checklist and reminder process now live please familiarise yourself with the standard reasons for non-submission. In the first release of the checklist we've identified some small issues that we're looking to correct. To find out more please read our full story.

Find out more >

Employer Bulletin satisfaction survey

Each month, we send you a survey so you can provide feedback. Where possible please take the time to complete this to help us improve your experiences in the Scheme.

Complete the survey >

Completion of Monthly Data Collection (MDC) error files

Member opt out refunds

We'd like to remind you that it's essential to check and complete any error files received after submitting monthly data.

When completing the monthly breakdown for opt outs, all three of the pensionable salary, employer contributions and employee contribution boxes should be amended.

Electronic signatures

We require hand-written signatures when returning paper forms. Electronic signatures aren't permitted this applies to both member and employer signatures. Please be aware we will return any forms that do not comply.

∧

REGULAR ITEMS

Guaranteed Minimum Pension (GMP) update

GMP reconciliation is on track for completion by the end of the year. To support this process please check members National Insurance numbers are correct prior to any reconciliation submissions.
