

Monthly Data Collection (MDC) errors

There's been an increase in the volume of MDC errors where a Full-time Salary Rate has not been provided. This is mandatory, regardless of whether the member has contributed to the Scheme within that given month or not. Please ensure that all service lines provided to us contain a Full-time Salary Rate.

More information can be found in our [MDC Guidance and Error Codes document](#), which can be found on our [website](#).
