

## Changes to the Scheme from 1 April 2022

You'll already be aware that the final salary (legacy) scheme is closing on 31 March 2022. This means that from 1 April 2022 all active members will build up their pension benefits in the career average (reformed) section of the Scheme.

We're contacting members directly to advise them of this change and directing them to our website for further information, but do you know what you'll need to consider as a payroll provider?
